

Admissions Checklist

THE ALTAMONT SCHOOL

Use this checklist to help organize your student's admission application to The Altamont School.

Visit the School.

For parents, Altamont offers tours by appointment. Students are encouraged to spend a day at School with an Altamont student host. We also invite the whole family to attend an Open House.

Send the completed Application for Admission form with the \$75 application fee to the School.

Complete Transcript Release form and submit it to applicant's current school.

Make sure that a transcript of the most recent grades is sent to Altamont.

Complete Admission Recommendation Forms.

Ask two people to complete the recommendation forms included in the admission packet. At least one of your references should be a current teacher.

Take the Independent School Entrance Examinations (ISEE).

There is an ISEE Student Guide and Registration Form in the application packet. Register online at www.iseetest.org or through Altamont's web page. Testers should report to the Altamont library fifteen to thirty minutes before testing begins.

Complete an admission interview.

After Altamont receives the application, application fee, transcript, test score, and recommendations, the School will call to schedule an interview. At least one parent should participate with the applicant in the interview. The interview is the final stage of the application process before the Admissions Committee meets to make admission decisions.
