

Sixth Grade PreRegistration Form 2020-2021

Student Name: _____

All sixth graders take five core courses (English, History, Language, Math, and Science), plus P.E. The remaining period is for Fine and Performing Arts and Electives.

The standard sixth grade classes are listed below. Any exceptions to these courses are subject to recommendation and approval.

English	6th English
History	6th History
Language*	Introductory French, Latin, Mandarin, or Spanish
Math**	Course 2 or Course 3 (circle one, based on recommendation)
Science	6th Science
P.E.	5th & 6th Grade P.E.

**Students will choose a language in early May, so that they have experience with all four before deciding.*

***Math course recommendations will be made in early May. Parents and advisors will only be contacted if a recommendation is made that is contrary to registration.*

The sixth grade rotation courses are listed below. Students will have two of these courses per quarter. The exception to this is for students who choose to join the 5th/6th String Ensemble (no experience required). This class will take the place of one rotation course per quarter, meaning that these students will have only four additional quarter-long rotation classes from the list below.

Art
Creative Writing
Drama
Leadership
Music Appreciation
Photography
Research & Library Skills
Robotics
