## THE ALTAMONT SCHOOL

Use this checklist to help organize your student's admission application to The Altamont School.

**Visit the School.**

For parents, Altamont offers tours by appointment. Students are encouraged to spend a day at School with an Altamont student host. We also invite the whole family to attend an Open House.

**Complete the online application or send the completed Application for Admission form with the \$75 application fee to the school.**

**Complete Transcript Release form and submit it to applicant's current school.**

**Complete Admission Recommendation Forms.**

**Take the Independent School Entrance Examinations (ISEE).**

**Complete an admission interview.**

After Altamont receives the application, application fee, transcript, test score, and recommendations, the School will contact you to schedule an interview. At least one parent should participate with the applicant in the interview. The interview is the final stage of the application process before the Admissions Committee meets to make admission decisions.
